- » Simple and very rapid operation, just pull a spinning tube along formwork.
- » Quick and easy to set up by connection two pull handles and a hose to the power source.
- » Virtually self cleaning with just the tube requiring a light hosing ease.
- » Highly manoeuvrable making it easy to strike off suspended floor, slopes and very large areas with ease.
- » Leave aggregate near to surface for excellent surface strength and ready for trowling if required.
- » Ideal for use with the Altrad Belle Major 30-140 Hydraulic Power Pack.
