

### Light Weight Mobile Steps

The **Klime-Ezee Light Weight Mobile Step** is a lighter, more mobile version of our Industrial Range. Suitable for retail, office and warehouse space.

Having a tread width of **550mm** and a platform size of **550 x 400mm** makes activities such as order picking and maintenance **simple and safe**.

The balance between **light weight design** and fully welded **heavy duty steel** construction has been achieved perfectly with this step, allowing the **ease of maneuverability** for jobs such as small item order picking in a warehouse to document archiving in an office, and still being robust enough to have a **safe working load of 300 Kg**.

The smaller units can be **turned within their own space** on four self weight retracting castors and the larger units have a central lever braking system and fixed rear axle for **added stability at height**.

### Features

- HEAVY DUTY CONSTRUCTION FROM 19MM TUBE
- 550MM TREAD WIDTH
- PLUNGER CASTORS ON SMALLER MODELS

### Benefits

- 300 Kg SAFE WORKING LOAD
- SAFER BY DESIGN
- EASY TO MANOEUVRE

DURABLE POWDER  
COATED FINISH

Product Code	No. of Treads	Platform Height (mm)	Working Height (mm)	Overall Dimensions H x W x L (mm)	Weight (Kg)
KL 02	2	500	1500 - 2250	1500 x 650 x 605	20
KL 03	3	750	1750 - 2500	1750 x 650 x 758	28
KL 04	4	1000	2000 - 2750	2000 x 650 x 911	32
KL 05	5	1250	2250 - 3000	2250 x 850 x 1178	50
KL 06	6	1500	2500 - 3250	2500 x 850 x 1332	58
